3. About Aknia

Aknia is an Indonesia-based, globally oriented investment manager that leverages quantitatively grounded framework with corporate culture insights to identify, invest in, and evolve with the highest-quality founders and digital assets worldwide.

4. Investment Objective

To achieve long-term capital growth by investing in a concentrated portfolio of category-defining, founder-led companies with proven unit economics and scalable business models.

5. Investment Strategy

1. Founder-First Screening

- Deep due diligence on founding team track record, cultural alignment and shareholder prudence.
- Focus on leaders who have demonstrably delivered proven unit economics and scalable models, to capture outsized returns from the next wave of global market leaders.

2. Global Breadth

- High-conviction positions across North/South America, Europe and Asia-Pacific.
- Diversification across regions and market cycles to mitigate concentration risk.

3. Dynamic Risk Management

- Active position sizing and firm drawdown limits to preserve capital in downturns.
- Regular stress-testing and scenario analysis to keep exposures within defined thresholds.

4. Alignment of Interests

- No management fee—we’re paid only when you earn true outperformance.
- Performance fee applies only to returns above the MSCI World Index.

6. Fund Performance

Past performance is not a reliable indicator of future performance.

The Fund has delivered outsized returns since inception; we expect long-term performance to normalise to approximately 25–30% p.a.

Period	Frontier Founders Fund (p.a.)	MSCI World Index	Value Add (p.a.)
1 Year	72.4%	20.7%	51.7%
3 Year (p.a.)	59.8%	20.3%	39.5%
Since Inception (p.a.)	61.2%	18.8%	42.4%

*As of February 2026 month-end.
